

ARE YOUR COOLANTS LETTING YOU DOWN?

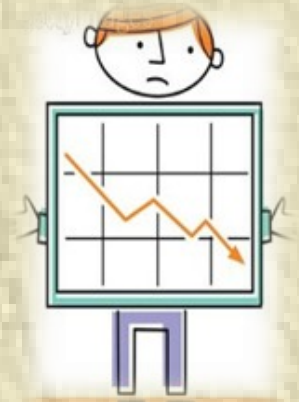

Inferior quality water miscible coolants can seriously hamper Productivity of even the best machines.

Rapid deterioration in lubricating efficiency, bacterial degradation leading to a smelly shop floor and eventual production losses due of the entire fluid.

A low priced conventional coolant is anything but cheap in a long run.

Unleash the true performance of your machine.

Switch from 'low price' to **COST EFFICIENT** bio stable coolant technology.

MECHMATRIX OFFERS THE FOLLOWING BENEFITS

- High Manufacturing Profits
- Reduce your Coolant Costs
- Lower Tooling Cost
- Healthier Shop Floor
- Reduced Maintenance Cost
- Easy to Use
- Happier Workforce
- Convenience
- Reliability
- Peace of Mind
- Long machine sump life
- lesser top Up Quantity
- Increased Tool Life
- No Monday morning odour
- Improved lubricity
- Multi-metal compatibility (Steel, Aluminum, Cast iron)
- No Skin Irritation, Itching, etc.
- Same Day Delivery.
- Prompt & Effective Fluid management services.
- Troubleshooting & Application Support

Mechmatrix: Your Preferred Coolant Supplier

- Coolant management services - Your machines our responsibility.
- Depend on us for providing reliable services in Coolant Management.
- Oil monitoring services Get the most out of your coolants.
- Mechmatrix helps you reduce your cost by providing effective services to help you save continually on Cost of Coolant.
- Application engineering we provide technical assistance in selecting right product for your demanding needs.
- Training of shop floor personnel in the correct method of usage of M.W.F, Right practices to be followed to increase productivity & get better results from your cutting fluids.

HIGHER PROFITS

- High Sump Life of Oil
- Reduce Tooling Cost due to Lower wear during Cutting / Grinding
- Better Cooling of Tool during Operation

WORKING WITH MWF'S MADE EASY

- Guidance on Coolant Grade Selection
- Coolant Management Services
- Guidance during Tank Cleaning
- Proper Charging & Top Up Procedure

REDUCE YOUR ANNUAL COSTS

- Save Money owing to Lesser Top Up Quantity of Oil required

SAVE MONEY

- Higher Machine Up Time
- More Machines hours available for Production

HAPPIER WORKFORCE

- No Skin Irritation, Burning of Eyes, Health Problems caused by Oil

MECHMATRIX is equipped with

- Factory Trained personnel for providing Coolant Management services.
- Requisite Tools and Instruments for Cutting Fluid Monitoring.
- Laboratory services for Chemical analysis of products can be arranged by us.

Product Range

- Cutting fluids: Water miscible.
- Cutting fluids: Neat oils.
- Industrial cleaners for coolant tank & machine surface cleaning.
- Hydraulic oils with special additives in various grades.
- Rust preventive products in various grades to suit your exact requirements.

ONE STOP SHOP

- Coolants + Hydraulic Oil + Cleaners + Rust + Preventive Products + MWF Accessories + Related Toolings for CNC Machines.
- We also offer Related performance enhancing products such as: Oil Skimmers, Magnetic & Paper Filters, Special Additives for Coolant performance enhancement, Monitoring Aids such as Refractometers and Ph Meters.

SPEEDY DELIVERY

Guaranteed same day Delivery for Ready Stock
Products for Order placed by 14.00 hours

SERVE YOUR CUSTOMER BETTER

MECHMATRIX Enables you to Serve your Customers

Better through offering you :

Reliability in Products, Process & Services

WHAT OUR CUSTOMER HAVE TO SAY ABOUT US

Our Happy Customers share with you how they have Benefited from MECHMATRIX Products & Services:
